

Midwest Tube Mills, Inc.

# MTC Color Coat

> Colored Fence Framework

Midwest Tube Mills offers all of its commercial, residential and mechanical pipe and tubing products in an unlimited variety of custom colors. After our galvanized pipe is treated with our additional corrosion resistant coatings, a 3 mil coating of our Polyester Color Coat or 7-8 mil Polyolefin Color Coat is applied and heat set. Our Polyester Color Coat paint process offers a durable finish that is guaranteed not to fade, crack, flake or craze for 15 years.

## ASTM Compliance

**Polyester Color Coat** is in compliance with the following ASTM standards:

ASTM D 3359 B Adhesion cross hatch test

ASTM F 1043 Standard Spec. for Strength/Protective Coating on Steel Chain Link Fence
